Sir,

(B)

Reference:- G.O.No. 937 P.H.Ms., dated 14-4-1930.

The Government in their order quoted above have sanctioned the grant of house rent allowances to midwives who have not been provided with official quarters, the amount of such allowance being restricted in each case to the rent, if any, actually paid by the midwife for the private quarters occupied by her subject to a maximum of ten per cent of her pay. The above G.O., took effect from 1-4-1930. The District Medical Officer, South Kanara reports that Margaret Lobo, midwife, attached

attached to Government Hospital, Puttur who was paying a house rent of Rs.4/- per mensem for the last six years was given a house rent allowance of Rs.3/- only, although she was entitled to a higher rate of house rent allowance calculated at 10% of her pay. The District Medical Officer further states that the midwife was unaware of the rules and that the fact of her paying Rs.4/- as house rent was brought to his notice only now. This explanation is not satisfactory as house rent allowance cannot be drawn and paid to the midwife without knowing the amount actually paid by her as house rent. The office of the District Medical Officer would appear to have drawn regularly Rs.3/- every month as house rent for the midwife without understanding the scope of G.O. No. 937 P.H., dated 14-4-1930. The District Medical Officer requests that the arrears of house rent allowance due to her from 1-4-1930 may now be sanctioned. (B)

2. As the midwife was actually paying Rs.4/- per mensem as house rent for the last six years, she is entitled to receive rent at 10 per cent of her pay from 1-4-1930. A statement showing the increased house rent allowance admissible to her calculated from the above date is enclosed. —p 3 m/p

3. As the claim is for a period of over five years, I request that the Government will be pleased to authorise the Accountant-General, Madras, to investigate the claim under Article 34, Madras Financial and Account Code Vol. I and to pass the bills if admissible.

Finance (C.S.R).

Submitted that before accepting the proposal, L.S.G may be requested to say what proof is to be accepted in support of the statement that the midwife was paying Rs 4 p.m. as house rent from the year 1930. If no satisfactory proof is forthcoming, it seems that the petty claim for difference ranging from 3 annas to 6 annas per month for about 5 years may be disallowed. The correct amount admissible appears to have been drawn from 1-9-35.

SIR,

With reference to Government Memo 9105-1D-D1.P.H. dated 25-2-1936 on the subject indicated above, I have the honour to state that as the midwife was paying Rs.4/- only per mensem towards house rent during the period 1-5-1934 to 31-8-1935 her claim for that period at Rs.4-3-0 per mensem from 1-5-1934 to 30-4-1935 and at 4-6-0 per mensem from 1-5-1935 to 31-8-1935 should be restricted to the rate of Rs.4/- per mensem (the rate

of rent actually paid by the midwife every month). The midwife is thus entitled to the payment of Rs.44-15-0 ✓ (Rupees forty four and annas fifteen only) towards the arrears of house rent allowance due to her from 1-4-1930 to 31-8-1935.
